ALUMINIUM IT'S IN OUR NAME

Since 1949 we've been working with aluminium, the super sustainable metal, and for over 25 of those years we've been designing highly desirable aluminium windows and doors specifically for the UK market.

Our comprehensive range brings together the latest innovations, stunning aesthetic designs, a vast choice of finishes, all engineered to the highest standards in security and performance that you'll come to expect from any of our products.

ALUK HOME. ENHANCE YOUR LIFE.

AT A GLANCE

WINDOWS

Our extensive window range has something for everyone and every home. From classic cottages to modern mansions, our high performing and beautiful windows are the perfect upgrade.

BIFOLDING DOORS

Stunning and welcoming, our bifold doors deliver outstanding reliability, performance and design. Enabling you to expand your living space and open up wide expanses of your external walls to your outside space.

SLIDING DOORS

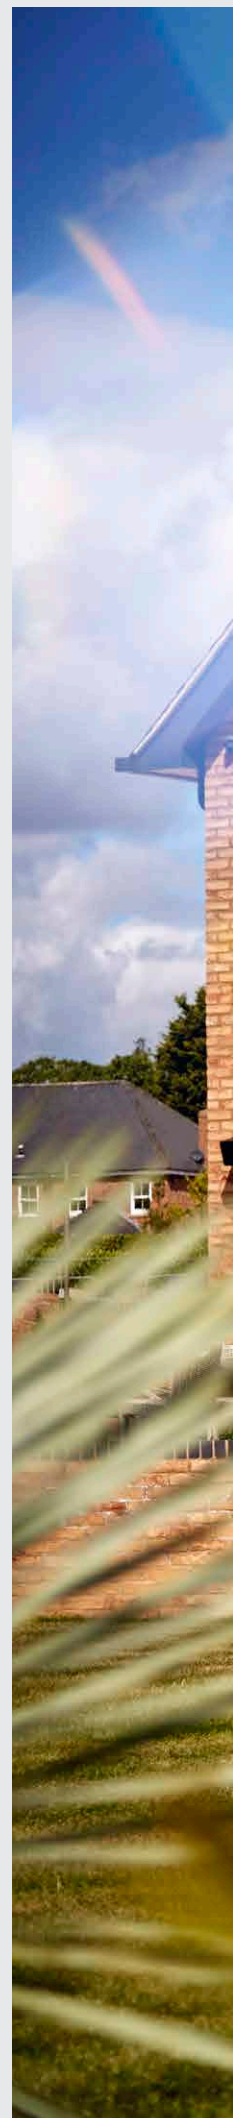

Let the light into your home with high performance aluminium sliding doors. They will enhance your home aesthetics and help you create your dream home.

ENTRANCE DOORS

The entrance to any home helps to create the first impression, which means that the front door is a vital addition to the aesthetics of your home. And our stylish, safe and secure entrance doors tick all the boxes.

SAFE AND SECURE

You can rest assured that our window and door systems will help keep your home safe. Fully accredited by the Secured by Design scheme, and certified by PAS 24, the industry safety standard, it provides superior security.

BE INSPIRED BY ALUMINIUM

From flush finish windows the ideal choice from cottages to contemporary. To awe inspiring bifolds that fuse the boundaries between inside and outside living.

To radiant colour choices, glorious glazing options, ergonomic handles and much, much more.

Whatever your property. Whatever your style, there's an AluK Home aluminium window and door for you.

COLOUR FULL

The AluK Colour Collection combines high-quality colour ranges reflecting both the latest colour trends and the enduring classics within the market.

ELEMENTS

Our stylish matt colour range features 18 vibrant colour options in a smooth finish. Inspired by the diversity of nature, Elements offers the perfect combination of rich colours and versatile shades that will compliment any style of property.

HOMESTEAD

Inspired by traditional and period design, our timeless Homestead range offers a classic palette of tranquil neutrals and deep, cool hues. Homestead has 14 tasteful colour options to discover, all in a long-wearing textured finish for windows and doors.

FINISHING TOUCHES

Our hardware range of contemporary and traditional handles provide a stylish look, utilising modern technology to ensure secure, high performance windows that are built to last.

All handles are available in deep black, hipca white and satin chrome finishes. We also offer options for cills and bay poles for bay windows.

OPTIO FLUSH WINDOW

The perfect choice for contemporary
new build and refurbishment projects

A FLAWLESS FLUSH FINISH

Less is most definitely more when it comes to the OPTIO Flush window. With a high end, minimalist frame design and slim sightlines, the OPTIO Flush is the perfect choice for contemporary new build and refurbishment projects. With a choice of slim sashes and a range of window configuration options, the OPTIO Flush can be used to achieve a sleek, minimal aesthetic to suit any project.

MATCH YOUR STYLE

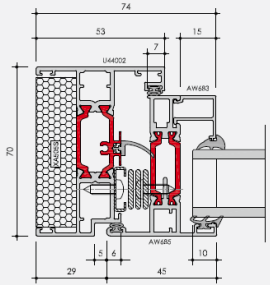

That desirable flush shadow line can be customised with a choice of flat or chamfered sash styles to suit your property. Add glazing bars for period charm or frame your outside view with large picture windows. With a wide range of configurations, from French Casement to bay windows, and the latest in colour and textured finishes, the OPTIO Flush allows you to create your window your way.
